Ballet Boot Camp

You've worked so hard to build up your ballet technique all school year - don't lose it over the summer! Ballet is the foundation of dance and will be necessary for successfully executing proper technique in other dance styles.

Turns

Come to learn or perfect your basic turns (single, double, triple pirouettes, turns in 2nd, etc.)

Contemporary

Contemporary dance is a style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet.

Russians & Toe Touches

Come to learn or perfect these essential jumps in 2nd position (Russians, Toe Touches, & variations, etc.)

Acro

Want to finally get your aerials, walkovers, and more? This is your summer to finally nail it!

Conditioning, Powerstretch, & Kicking

This class combines conditioning, interval training, weight lifting, stretching, yoga, and barre elements to improve stamina, strength, and flexibility. We'll also focus on high kick technique and endurance.

Leaps & Press Leaps

Come to learn or perfect your basic leaps (regular jete leap, press leap, & basic leap variations, etc.)

Sassy Jazz

Looking for more challenging choreography? Sassy Jazz takes the usual drill team jazz and dials up the difficulty a few notches. The style is more intricate, more fast paced, and more technical.
